

2018 Sponsorship Program – FAQ's

How many teams can I sponsor?

Sponsors may elect to support as many teams as they choose. The following is a multiple-team sponsorship fee schedule:

No. of Teams	Sponsorship Fee
1	\$300.00
2	\$550.00
3	\$750.00
4	\$900.00

Can I request to sponsor a specific team?

YES. SLL will make every effort to accommodate all requests (provided the application is received prior to the due date). Should there be any conflicts due to multiple requests the sponsor will be contacted by someone from the league

When will I know which team has been assigned to me?

There are two events that need to take place prior to sponsorship assignments:

1. Mandatory tryouts and the drafts need to be completed. This will give SLL the team rosters to match any requests made by the sponsors. For example, sponsors may request to be assigned a team where a family member is playing on.
2. Sponsorship completed enrollment forms and contributions need to be received **before January 19th, 2018.**

Teams will be assigned to sponsors in the middle of March.

What can I expect in return for my sponsorship contribution?

In an effort to provide more value to the sponsors, this year the sponsors will receive the following benefits:

- a. Advertising on the back of each player's shirt.
- b. Sponsorship page on our website at www.shrewsburylittleleague.com
- c. Incentives for sponsoring multiple **teams including promotional recognition on our Facebook Fan Page**
- d. Recognition plaques with team photos to be delivered.
- e. Recognition in local and regional media, via SLL's press releases.
- f. Sponsorships are fully tax deductible.
